

Tyndall College opened in August 2017 and is now in its second year. It is the newest school in Kilkenny and Carlow Education & Training Board and has arisen from the closure of Carlow Vocational School and the Separation of Carlow VS and Carlow Institute of Further Education. It aims to serve the needs of post primary students in the Carlow area and its environs. The school is part of the 'Delivering Equality of Education in Schools' (DEIS) programme and provides a broad and balanced post-primary curriculum.

Mission Statement

Tyndall College provides excellent second level education in a student-centered, co-educational environment. It is our intention to lead students on their journey to reach their individual potential and to encourage them to make a positive contribution to society."

Highlights

Student Council: Our student council have been very active over the past year. Meeting twice per month the student council have had input in the following important issues in our new school. (a). Student Charter Ratified. (b). School Motto Defined. (c). Running of a suicide awareness day. (d). Further amendments to student diary for 2019-20. (e). Feedback provided on 1 hour classes. (f). Introduction of new school tracksuit bottoms

Intercultural Week: "Tyndall College, Everyone is Welcome Here". This was the message echoing around the corridors of our school as we held our first ever Intercultural week. The school has students from 29 different countries, the decision to celebrate this was made and a colourful display of flags, greetings, fact files and globes were visible all throughout our school.

Green Schools: Tyndall Colleges continues its hard work aiming for a Green Flag. The committee are now actively working on securing a fourth flag on the Travel Theme. The committee took part in various themes throughout the year such as a recycling workshop in IT Carlow.

Development Education: This year our students took part in many projects such as: Concern Worldwide, Trócarie, Amnesty International and several more. The school were awarded a Global Passport at a ceremony during the year due to their dedication and commitment to Development Education.

Sport: We had a great year in sport, achieving the following: (a). Basketball – U16 & U19 Boys were runners up in the regional final,. (b). Cross Country – Intermediate Boys team won gold at the three counties cross country championships. (c). GAA – Tyndall College competed in U14, U16 Gaelic Football this year. (d). Tyndall College also competed in 1st Year, U16 and U19 soccer competitions this year and were unfortunate losing out in both the U16 cup and league finals.

Music: We had many events in Tyndall College with music at the centre of so much of what we do. We have an excellent choir who perform at all school events. We have music generation on site for our woodwind and brass programme and we had several music trips this year not least a trip to the National Concert Hall.

Awards Day: Tyndall College awards day was a significant highlight in recognition of the achievements of our students for the school year.

Coiste Gaelbhreach: Is é Coláiste Tyndall an t-aon scoil nach bhfuil a gcuid dalta a múineadh trí mhéan na Gaeilge atá páirteach igCoiste Gaelbhreach I mbliana. Chuir an coiste an-iarracht ar fad isteach agus tá an Ghaeilge le feiceáil ar fud na scoile.
